Getting Started	3
Clio5 5 AirBag Module Clear Crash.	3

Getting Started

For do Clear crash Clio5 airbag module you need:

- 1.UHDS Tool
- 2.EU0041 activation
- 3.Bench cable

Clio5 5 AirBag Module Clear Crash.

Always better is use option "Clio 5 AirBag Module Clear Crash (without prepare Flash)"
It works fast and not need to open ECU

But sometimes if you get info "command refused" you can use method "Clio5 5 AirBag Module Clear Crash (with prepare Flash)

How to clear Crash :

Connect UHDS to module and press Clear Crash. If success that is all.

Renault Clio 5 AirBag Module CAN connection
